VENDOR MANAGED INVENTORY (VMI)

Many large businesses use the advantages of vendor managed inventory in their business model to help reduce costs and to stop storing overstocked items. An effective VMI model offers serious supply chain optimization and takes away a lot of unnecessary stress.

We provide a streamline system tailored to significantly improve production performance, delivering exactly what you need, when you need it. Our expertise in VMI provides significant benefits to customers by reducing costs associated with the purchase, stock holding and handling of a wide range of low-cost fastening and ancillary items. With a reduced supplier base, minimal inventory, direct to the line quality approved products immediately at hand, customers are able to remove a whole variety of hidden administration and transaction costs.

Vashi's VMI Solutions provides dedicated, expert and onsite support services for both Vashi and non-Vashi product to help you save time and money.

BRAND TESTIMONIALS

SIEMENS

MR. VIJAY KRISHNAMURTHY
VP DIGITAL INDUSTRIES SALES WR-1

We at Siemens limited have been associated with the erstwhile Vashi Electricals Private Limited now in its new avatar as Vashi Integrated Solutions Limited right from 1983. This journey of the last 40 years has been truly extraordinary. Their stocking ability, inventory management, their dedication of their employees, the commitment towards the customer are truly Extraordinary and it also further strengthens siemens image in the marketplace.

I, on behalf of Siemens, wish vashi integrated solutions limited all the very best in the new endeavor and hope that they will conquer new horizons in the times to come.

MR. Kennady V Kaippally
COUNTRY MANAGER

Vashi is one of our largest and definitely one of the best channel partner in India. It's professionalism in business and focus on customer are amazing. Group's achievements are all the more impressive considering that the organization is still a first generation business. Mr. Madan Dodeja has inspired me a lot and I aspire to imbibe his value system. Its also nice to see the next generation being fully prepared and ready to take Vashi to the next level of growth. We are very happy to be associated with Vashi and wish them all the very best in all their future forays.

CUSTOMER TESTIMONIALS

MR. SATISH KAZI
CHAIRMAN

Vashi Integrated Solutions, formerly known as Vashi Electricals, has grown into a giant organisation. This is sheerly because of their hard work, foresight, long-term vision, transparency and supportive nature for the customers. I wish Vashi Integrated Solutions all success. Let sky be the limit.

Menzel Engineering Pvt. Ltd.

MR. HARISH MEHTA
DIRECTOR

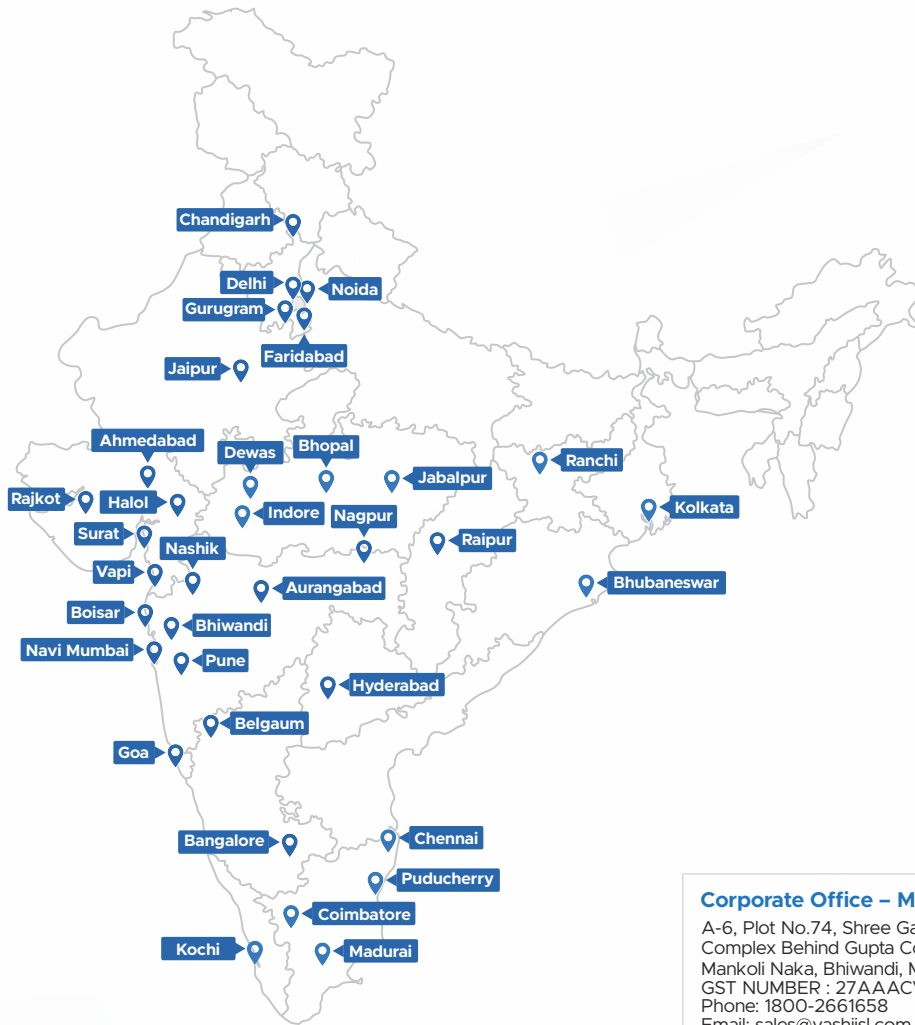

It is a great pleasure to share my experience of dealing with Vashi Electricals, now known as Vashi Integrated Solution of last for decades. The reason for such a long association is reliability, transparency and honesty prevailing in entire Vashi organisation. The service provided by Vashi on holidays and odd hours were unbelievable. If I have to summarize my experience dealing with Vashi in one line, it would be that all the customers of Vashi get service and experience of travelling first class with any leading airline.

MR. JIGNESH MAURYA
MANAGER

We are dealing with Vashi Integrated Solutions Limited from last 4 years. We did ARC in Siemens. We have got a good service response from the VISL team. They always have the material in stock. They always come up with new ideas like Enterprise Portal and E-commerce website to delight customers.
